MOTION FOR EXTENSION OF TIME

Northern Kentucky Water District, by counsel, moves for an extension of time to file its responses to the Commission's Order of September 23, 2005. Because of the District's limited staff, the consultant's schedule and the volume of information requested, the District will be unable to complete its responses by October 7th. The District requests that the date for responding be extended to October 21, 2005. The District will make every effort to file the responses before that date, but given the current circumstances, the additional time is necessary.

Submitted by:

John N. Hughes

Attorney for Northern Kentucky
Water District.
